# Welcome to the VMNC Experience!!!

What is the VMNC experience?

It is something that cannot be easily explained! The VMNC Experience incorporates your five senses as you journey through the 20<sup>th</sup> Century in the United States. This iconic tour of America will take you through 100 years of American ingenuity and innovation, highlighting those that made it possible. Take a stroll down Memory Lane in Veteran's Hall where you can explore rooms dedicated to how each decade shaped this country. Each room is filled with Magazines, Posters, Photographs, and artifacts of that time. Travel across the country in America Hall and take in the mammoth posters of landmarks, landscapes and skylines of our great country.

This transcendental experience allows you to HEAR the past, SEE the past, and TOUCH the past. Careful, the experience may trigger a sensory overload!

**SEE** – The VMNC houses over 130,000 magazines (25 tons) dating back to 1890 which are sorted on more than a mile of shelving! At over 8,000 square feet the VMNC is a treasure trove of magazine covers, posters, and photographs. Be sure to see the Canyon of Covers, the Mountain of Magazines, AND Main Street USA!

**INTERACT** – Take a selfie with Marilyn, Elvis, Frank Sinatra, MLK, JFK and more! Be on the cover of a Life Magazine. Spread your arms on the steps of the Art Museum and shout “**Yo, Adrian!**”

**TOUCH** - Leaf through magazines that are 60, 70, and even 80 years old!

**HEAR** - Essential Music from Frank Sinatra, Bobby Rydell, Ray Charles and more!

**SING**- Along with the Beatles, Michael Jackson, Madonna, Whitney!

**DANCE** - Do the Twist, The Stroll, The Limbo.... how low can you go?

**READ**- About events occurring in each decade.

**BUY** - A weekly magazine the week someone was born.

**REMEMBER** - Your dad's car, your first car, toys, movies you saw.

This all happens because the VMNC honors the greatest Generation during the Greatest Century in the Greatest Country; and places a great emphasis on our heroic Veterans who have allowed us to have the freedom we cherish and enjoy.

There is so much to see, we will see you again when you bring family and friends
